Teaching experience:

WS 2015 / WS 2016 / WS 2017 / WS 2018: ‘Practical Course on Ethics and Human-Animal Studies,’ Interdisciplinary Master on Human-Animal Interactions, Messerli Research Institute, Vienna.

SS 2017 / SS 2019: ‘Current debates in Applied Animal Ethics,’ Interdisciplinary Master on Human-Animal Interactions, Messerli Research Institute, Vienna.

SS 2017 / SS 2019: ‘Philosophy Journal Club,’ Interdisciplinary Master on Human-Animal Interactions, Messerli Research Institute, Vienna.

SS 2018: ‘*Animal Liberation* and Its Critics,’ undergraduate pro-seminar, University of Graz.

SS 2018: ‘The Human-Animal Divide,’ undergraduate course, University of Graz.

Third-party funding:

‘Animals and the Concept of Death,’ ca. €160,000, Lise Meitner project funded by the Austrian Science Fund (FWF).

‘Morality in Animals: What It Means and Why It Matters,’ ca. €400,000, Stand-Alone project funded by the FWF. Proposal co-authored with Judith Benz-Schwarzburg (PI).

Awards and scholarships:

Juan de la Cierva post-doctoral two-year research scholarship awarded by the Spanish Ministry of Economy and Competitiveness (2018) – Renounced because of incompatibilities with FWF Stand-Alone project.

Outstanding doctorate prize awarded by UNED (2017).

FPI pre-doctoral scholarship awarded by the Spanish Ministry of Economy and Competitiveness (2012-2016).

Research visit scholarship awarded by the Spanish Ministry of Economy and Competitiveness for a three-month stay at University of Miami (2014).

Research visit scholarship awarded by the Spanish Ministry of Economy and Competitiveness for a three-month stay at the Messerli Research Institute (2016) – Renounced because of incompatibilities with pre-doctoral lectureship contract.

Cajamadrid scholarship for Erasmus students (2009-2010).

Erasmus scholarship awarded for a stay at Erasmus Universiteit Rotterdam (2009-2010).

Academic excellence scholarship awarded by the Community of Madrid (2006-2007 and 2009-2010).

Presentations:

Invited:

‘Why we should care whether animals are moral’ (with Judith Benz-Schwarzburg) at the Arbeitskreis Mensch-Tier-Beziehung, Messerli Research Institute in Vienna (May 2018).

‘Animals and the concept of death,’ keynote talk at the VII Research Workshop on Philosophy of Biology and Cognitive Science, Complutense University of Madrid (May 2018).

‘Why we should care whether animals are moral’ at the meeting of the Society for the Philosophy of Animal Minds, to be held at the Eastern APA meeting in Savannah, Georgia (Jan. 2018) — Cancelled on short notice due to adverse weather conditions.

‘Animal intelligences’ at the event on Hypernormal Hybrids hosted by the World-Information Institute in Vienna (Nov. 2017).

‘Morality without mindreading’ at the Arbeitskreis Mensch-Tier Beziehung, Messerli Research Institute, Vienna (Jan. 2017).

Contributed:

Commentary on Gary Varner’s *Personhood, Ethics, and Animal Cognition*, at the ISUS meeting in Karlsruhe (July 2018).

‘Why insect sentience might not matter very much’ at the 2018 EurSafe Congress, Messerli Research Institute, Vienna (June 2018).

‘The ethical importance of being a moral subject’ (with Annika Huber) at the conference ‘Ethical Theories and the Animal Issue: Between Science and Philosophy,’ University of Milan (June 2016).

‘Minimal morality: caring without mindreading’ at the XVII edition of the *Taller d’Investigació en Filosofia*, Universitat Autònoma de Barcelona (Jan. 2015).

‘Morality and mindreading’ at the Philosophy of Mind workshop, University of Miami (Nov. 2014).

‘Two fallacies in animal cognition’ at the ‘De-Intellectualizing the Mind’ workshop, UNED, Madrid (July 2014).

‘Moral emotions in behaviour readers’ at the IV Research Workshop on Philosophy of Biology and Cognitive Science, University of Granada (April 2014).

‘Moral emotions without a theory of mind’ at the III Graduate Seminar on Philosophical Research, UNED, Madrid (March 2014).

‘Does empathy require a theory of mind?’ at the SIFA graduate conference (University of Cagliari) (Sept. 2013).

‘Does empathy require a theory of mind?’ at the SEFA graduate conference (Carlos III University, Madrid) (Sept. 2013).

‘Does empathy require a theory of mind?’ poster presentation at the ‘What is Cognition?’ workshop, Ruhr-Universität, Bochum (June 2013).

‘Science, responsibility, and animal suffering’ at the Graduate Seminar on the Philosophy of Science, UNED, Madrid (Nov. 2012).

Outreach:

Monsó, S. ‘¿Por qué se ríen los animales?’, *El Español*, 27/5/2016, http://www.elespanol.com/ciencia/20160527/127987401_0.html

Monsó, S. ‘Tierische Intelligenzen,’ *Springerin* 1/2018, pp. 6–7. <https://springerin.at/2018/1/tierische-intelligenzen/>

Participation in research projects:

2018 - : “Morality in animals: What it means and why it matters”

Funded by the FWF

Principal investigator: Judith Benz-Schwarzburg

2017: “Socio-cognitive abilities of domestic pigs, their ethical implications and medical indicators of well-being”

Funded by the Messerli Foundation

Principal investigator: Ludwig Huber

2014-2017: “Normative inferences and interferences in scientific research”

Spanish Ministry of Economy and Competitiveness Research Project (FFI2014-57258-P)

Principal investigators: Jesús Zamora-Bonilla, David Teira

2012-2014: “Inferentialism as social epistemology”

Spanish Ministry of Economy and Competitiveness Research Project (FFI2011-23267)

Principal investigator: Jesús Zamora-Bonilla

Organisation of academic events:

EurSafe Congress ‘Professionals in Food Chains: Ethics, Roles and Responsibilities,’ Vienna, 2018 (Local organising committee).

V Research Workshop on Philosophy of Biology and the Cognitive Sciences, UNED, Madrid, 2015 (Local organising committee).

European Network for the Philosophy of the Social Sciences Meeting (ENPOSS), Madrid, 2014 (Local organising committee).

‘De-Intellectualising the Mind’ workshop, UNED, Madrid, 2014 (Local organising committee).

Active participation in the organisation of the departmental seminar, UNED, 2012-2016.

Refereeing:

Journals:

Biology and Philosophy, The Journal of Ethics, Ethics and the Environment, Social Theory and Practice, Food Ethics, Physiology & Behavior, Lecturas de Nuestro Tiempo

Conferences:

Research Workshops in Philosophy of Biology and Cognitive Sciences (annual), EurSafe

Languages:

Spanish (mother tongue).

English (fluent – C2 level).

German (intermediate – B2 level).
