

# Susana Monsó (Madrid, 1988)

## Associate professor

Department of Logic, History, and Philosophy of Science  
National Distance Education University (UNED)

smonso@fsf.uned.es

**AOC:** Philosophy of mind, ethics, philosophy of science.

**AOS:** Philosophy of animal minds, animal ethics, philosophy of comparative psychology.

## Employment:

**Feb. 2024 – : Associate professor (*profesora permanente laboral*)**

Dept. of Logic, History, and Philosophy of Science  
UNED, Madrid

**Sept. 2021 – Feb. 2024: Assistant professor (*profesora ayudante doctora*)**

Dept. of Logic, History, and Philosophy of Science  
UNED, Madrid

**Sept. 2018 – Aug. 2021: Post-doctoral research fellow**

Unit of Ethics and Human-Animal Studies  
Messerli Research Institute, Vienna

**Mar. 2018 – Aug. 2018: University assistant (post-doctoral)**

Institute of Philosophy  
University of Graz

**Oct. 2016 – Feb. 2018: University assistant (post-doctoral)**

Unit of Ethics and Human-Animal Studies  
Messerli Research Institute, Vienna

**Oct. 2015 – Mar. 2016: Pre-doctoral lecturer (part-time)**

Unit of Ethics and Human-Animal Studies  
Messerli Research Institute, Vienna

**Dec. 2012 – Sept. 2016: Pre-doctoral research fellow**

Dept. of Logic, History, and Philosophy of Science  
UNED, Madrid

## Academic background:

### PhD in Philosophy. UNED, Madrid. 2016.

Dissertation title: “Morality and mindreading in nonhuman animals”

Advisors: Jesús Zamora Bonilla (UNED) and Mark Rowlands (University of Miami)

Awarded summa cum laude with international mention (July 1<sup>st</sup> 2016).

### MA in Human Values and Global Ethics. King’s College London. 2012.

Awarded with distinction.

### Five-year BA (*licenciatura*) in Philosophy. Complutense University of Madrid. 2011.

Awarded with 1st-class honours.

## Publications:

### Books:

Monsó, S. (2024): *Playing Possum: How Animals Understand Death* (updated and revised translation). Princeton University Press.

Monsó, S. (2021): *La zarigüeya de Schrödinger: Cómo viven y entienden la muerte los animales*. Madrid: Plaza y Valdés.

Translated into Italian (Ponte alle Grazie), Russian (Individuum Books), Chinese (Unread Sky), and German (Insel). Forthcoming in Dutch, Chinese, Polish, Turkish, Greek, Persian, Japanese, and Brazilian Portuguese.

## **Teaching experience:**

SS 2022 - : 'Filosofía de la Mente Animal,' Master in Theoretical and Practical Philosophy, UNED.

SS 2021 - : 'Filosofía de la Ciencia II,' BA in Philosophy, UNED.

SS 2021 - : 'Ciencia, Tecnología y Género,' Master in Theoretical and Practical Philosophy, UNED.

SS 2021 - : 'Mujeres en Ciencia y Tecnología,' Master in Gender Studies, UNED.

WS 2021 - 2024: 'Filosofía de la ciencia I,' BA in Philosophy, UNED.

WS 2021 - 2025: 'Filosofía de la ciencia,' Master in Theoretical and Practical Philosophy, UNED.

WS 2015 - 2020: 'Practical Course on Ethics and Human-Animal Studies,' Interdisciplinary Master on Human-Animal Interactions, Messerli Research Institute, Vienna.

SS 2017 / SS 2019 - 2021: 'Current debates in Applied Animal Ethics,' Interdisciplinary Master on Human-Animal Interactions, Messerli Research Institute, Vienna.

SS 2017 / SS 2019 - 2021: 'Philosophy Journal Club,' Interdisciplinary Master on Human-Animal Interactions, Messerli Research Institute, Vienna.

SS 2018: '*Animal Liberation* and Its Critics,' undergraduate pro-seminar, University of Graz.

SS 2018: 'The Human-Animal Divide,' undergraduate course, University of Graz.

### **Third-party funding:**

'Animals and the Concept of Death,' ca. €160,000, Lise Meitner project funded by the Austrian Science Fund (FWF).

'Morality in Animals: What It Means and Why It Matters,' ca. €400,000, Stand-Alone project funded by the FWF. Proposal co-authored with Judith Benz-Schwarzburg (PI).

### **Awards and scholarships:**

Science Book of the Year 2026 awarded by the Austrian Ministry for Women, Science, and Innovation.

Juan de la Cierva post-doctoral two-year research scholarship awarded by the Spanish Ministry of Economy and Competitiveness (2018) – Renounced because of incompatibilities with FWF Stand-Alone project.

Outstanding doctorate prize awarded by UNED (2017).

FPI pre-doctoral scholarship awarded by the Spanish Ministry of Economy and Competitiveness (2012-2016).

Research visit scholarship awarded by the Spanish Ministry of Economy and Competitiveness for a three-month stay at University of Miami (2014).

Research visit scholarship awarded by the Spanish Ministry of Economy and Competitiveness for a three-month stay at the Messerli Research Institute (2016) – Renounced because of incompatibilities with pre-doctoral lectureship contract.

Cajamadrid scholarship for Erasmus students (2009-2010).

Erasmus scholarship awarded for a stay at Erasmus Universiteit Rotterdam (2009-2010).

Academic excellence scholarship awarded by the Community of Madrid (2006-2007 and 2009-2010).

## **Presentations:**

### **Invited (selection):**

‘Animal games and animal morality,’ keynote talk at workshop on Embodied Cognition and Comparative Psychology, University of Murcia (May 2026).

‘Do animals understand death’, ‘Animal games and animal morality’, Workshop on *Playing Possum*, Ruhr-University Bochum (December 2025).

‘Animal medicine’, IAST General Seminar, Toulouse (November 2025).

‘Animal medicine’, Cognition Across the Tree of Life workshop, Peking University (August 2025).

‘Animal medicine’, PhilSciCog seminar, Université Paris 1 Panthéon-Sorbonne, Paris (March 2025).

Participation in the roundtable ‘Animal Liberation Now: Looking back and looking forward as we near the 50th anniversary of Peter Singer's Animal Liberation,’ NYU, New York (November 2023).

‘Do animals understand death?’, philosophy colloquium, Wesleyan University, Connecticut (November 2023).

‘For their own good? The unseen harms of disenfranchising farmed animals,’ EVORISE workshop ‘A tale of two kingdoms’, Lisbon (October 2023).

‘Humanos y animales: De la diferencia a la semejanza,’ Ciclo Pensamiento Político, Málaga (May 2023).

‘¿Entienden la muerte los animales?’, Foro de Análisis, Sevilla (March 2023).

‘Tactful animals: How the study of touch can inform the animal morality debate,’ Animal Morality Conference, Vienna (February 2023).

‘El concepto de la muerte en los animales: Implicaciones éticas,’ Seminario Cognición y Sociología de la Moral, UAM – Cuajimalpa, Mexico City (November 2022).

‘Sentido y prosocialidad en la vida de los animales,’ Sexto Coloquio Internacional de Ciencias Cognitivas, CINCCO, Cuernavaca (November 2022).

‘¿Entienden la muerte los animales?’, Semana de las Humanidades, UAM – Cuajimalpa, Mexico City (November 2022).

‘Why death still harms animals who only half get it: Ethical implications of the minimal concept of death,’ Philosophy departmental colloquium, University of Warwick (October 2022).

‘Why death still harms animals who only half get it: Ethical implications of the minimal concept of death,’ Utrecht Lecture Series on Topics in Mind and Action, University of Utrecht (September 2022).

‘The concept of death in nonhuman animals,’ keynote talk at the Bioethics International Workshop held at the University of Granada (May 2022).

‘Playing possum: Animal thanatosis and the concept of death,’ online lecture for the Workshop on Animal Agency and Cognition, jointly hosted by Montreal’s Research Group on Environmental and Animal Ethics and Strasbourg’s Centre Européen d’Enseignement et de Recherche en Éthique (April 2022).

‘*Playing possum*: La tanatosis animal y el concepto de muerte,’ online lecture for the Seminario de la Red Iberoamericana de Filosofía de la Mente (February 2022).

‘¿Entienden la muerte los animales?,’ online lecture at the Second National Symposium on Animal Protection, Colombia (June 2021).

‘Animals and the concept of death,’ online lecture at the Death Salience Workshop, organised by UCL (June 2021).

‘Schrödinger’s possum: How animals experience and understand death,’ online lecture at LSE’s Conjectures and Refutations Seminar (May 2021).

‘Tactful animals: How the study of touch can inform the animal normativity debate,’ online contribution at the Evonorm Workshop Series (January 2021).

‘The concept of death and the ethics of killing animals,’ online guest lecture at an ASENT lab meeting, LSE (January 2021).

‘The concept of death and the ethics of killing animals,’ online guest lecture at the Society for the Study of Ethics and Animals 2020 Virtual Talk Series (November 2020).

‘¿Entienden la muerte los animales?,’ online guest lecture at the Seminar on Concepts, Language, and Cognition, National University of Córdoba, Argentina (October 2020).

‘The concept of death and the ethics of killing animals,’ online guest lecture at BOKU, Vienna (July 2020).

‘The concept of death and the ethics of killing animals,’ keynote talk at the Vetsuisse Public Health Conference, held at the University of Bern (November 2019).

‘Prosociality and meaning in the lives of animals’ at the conference Animal Minds and Animal Ethics: Across Species, Across Disciplines, held at the University of Veterinary Medicine Vienna (September 2019).

‘Is predation necessarily amoral?’ at the Ethics and Ecology workshop, 42<sup>nd</sup> International Wittgenstein Symposium, Kirchberg-am-Wechsel (August 2019).

‘Why we should care whether animals are moral’ (with Judith Benz-Schwarzburg) at the Arbeitskreis Mensch-Tier-Beziehung, Messerli Research Institute in Vienna (May 2018).

‘Animals and the concept of death,’ keynote talk at the VII Research Workshop on Philosophy of Biology and Cognitive Science, Complutense University of Madrid (May 2018).

‘Why we should care whether animals are moral’ at the meeting of the Society for the Philosophy of Animal Minds, to be held at the Eastern APA meeting in Savannah, Georgia (January 2018) — Cancelled on short notice due to adverse weather conditions.

‘Animal intelligences’ at the event on Hypernormal Hybrids hosted by the World-Information Institute in Vienna (November 2017).

‘Morality without mindreading’ at the Arbeitskreis Mensch-Tier Beziehung, Messerli Research Institute, Vienna (January 2017).

### **Contributed:**

‘How to make comparative cognition less WEIRD’, at the X SEFA meeting, University of Santiago de Compostela (December 2022).

‘Conceptual repair for comparative psychology,’ poster at the Third Joint Conference of the ESPP and the SPP, University of Milan (July 2022).

‘Playing possum: Animal thanatosis and the concept of death’ at the X SLMFCE meeting, University of Salamanca (November 2021).

‘How to make comparative cognition less WEIRD’ (with K. Andrews), online talk as part of the symposium on ‘Comparative cognition and the human-animal divide,’ held at the 28<sup>th</sup> Conference of the European Society for Philosophy and Psychology (August 2021).

‘How to tell if animals can understand death’ at the Ninth SEFA meeting, University of Valencia (November 2019).

Participation in the panel ‘Can animals be moral? Conceptual challenges and ethical implications’ at the 2019 EurSafe Congress, University of Tampere (September 2019).

‘Must animal lives be meaningless?’ at the ‘Meaning in Life and the Meaning of Life’ conference, University of Graz (June 2019).

Commentary on Gary Varner’s *Personhood, Ethics, and Animal Cognition*, at the ISUS meeting in Karlsruhe (July 2018).

‘Why insect sentience might not matter very much’ at the 2018 EurSafe Congress, Messerli Research Institute, Vienna (June 2018).

‘The ethical importance of being a moral subject’ (with Annika Huber) at the conference ‘Ethical Theories and the Animal Issue: Between Science and Philosophy,’ University of Milan (June 2016).

‘Minimal morality: caring without mindreading’ at the XVII edition of the *Taller d’Investigació en Filosofia*, Universitat Autònoma de Barcelona (Jan. 2015).

‘Morality and mindreading’ at the Philosophy of Mind workshop, University of Miami (Nov. 2014).

‘Two fallacies in animal cognition’ at the ‘De-Intellectualizing the Mind’ workshop, UNED, Madrid (July 2014).

‘Moral emotions in behaviour readers’ at the IV Research Workshop on Philosophy of Biology and Cognitive Science, University of Granada (April 2014).

‘Moral emotions without a theory of mind’ at the III Graduate Seminar on Philosophical Research, UNED, Madrid (March 2014).

‘Does empathy require a theory of mind?’ at the SIFA graduate conference (University of Cagliari) (September 2013).

‘Does empathy require a theory of mind?’ at the SEFA graduate conference (Carlos III University, Madrid) (September 2013).

‘Does empathy require a theory of mind?’ poster presentation at the ‘What is Cognition?’ workshop, Ruhr-Universität, Bochum (June 2013).

‘Science, responsibility, and animal suffering’ at the Graduate Seminar on the Philosophy of Science, UNED, Madrid (November 2012).

## **Participation in research projects:**

2023 - : "Environmental practice and wild animal ethics in the context of climate crisis: a longtermist approach"

Spanish Ministry of Science and Innovation project (PID2022-142980NB-I00)

Principal investigator: Oscar Horta

2022 - 2026: "Normatividad y enfoque mecanístico en la filosofía de las ciencias biológicas y biomédicas (NORMABIOMED)"

Spanish Ministry of Science and Innovation project (PID2021-128835NB-I00)

Principal investigator: Cristian Saborido

2019 - 2021: "Animals and the concept of death"

Lise Meitner project, funded by the FWF (M2518-G32)

Principal investigator: Susana Monsó

2018 - 2022: "Morality in animals: What it means and why it matters"

Funded by the FWF (P31466-G32)

Principal investigator: Judith Benz-Schwarzburg

2017: "Socio-cognitive abilities of domestic pigs, their ethical implications and medical indicators of well-being"

Funded by the Messerli Foundation (FA37314006)

Principal investigator: Ludwig Huber

2014-2017: "Normative inferences and interferences in scientific research"

Spanish Ministry of Economy and Competitiveness Research Project (FFI2014-57258-P)

Principal investigators: Jesús Zamora-Bonilla, David Teira

2012-2014: “Inferentialism as social epistemology”  
Spanish Ministry of Economy and Competitiveness Research Project (FFI2011-23267)  
Principal investigator: Jesús Zamora-Bonilla

### **Service to the profession:**

Co-founder of the Philosophy of Animal Minds and Behavior Association (PAMBA).

Team member of SWIP-Analytic Spain.

Owner and curator of the Animal Cognition & Ethics mailing list (320+ subscribers).

Coordinator of the METIS seminar (2023-2024).

Adjunct secretary of the Faculty of Philosophy, UNED (Jan. 2023 – Nov. 2023).

Secretary of the Dept. of Logic, History and Philosophy of Science, UNED (Nov. 2023 – ).

### **Press coverage (selection):**

Reden wir über den Tod — Interview for the German magazine ZEIT Verbrechen (20/04/2025)

Playing Possum by Susana Monsó review – do animals understand death? — Review of Playing Possum in The Guardian (01/01/2025)

Death becomes them — Review of Playing Possum in the Times Literary Supplement (20/12/2024)

The best books to give as gifts this Christmas — Mention in The Guardian (08/12/2024)

The best books of 2024 — Mention in The New Yorker (04/12/2024)

Books of the year 2024 — Mention in The New Statesman (13/11/2024)

Beasts and the Big Sleep — Review of Playing Possum in the Wall Street Journal (12/11/2024)

6 new books we recommend this week — Mention in The New York Times (31/10/2024)

What ants and orcas can teach us about death — Interview for The New York Times (29/10/2024)

What do animals understand about death? — Review of Playing Possum in The New Yorker (28/10/2024)

What do animals know about death? — Review of Playing Possum in The New York Times (23/10/2024)

How do animals understand death? — Interview for the American radio programme Science Friday (18/10/2024)

Do animals understand death? — Interview for the Boston Globe (10/10/2024)

‘Elephants show immense interest in corpses’: Susana Monsó, the philosopher examining what animals know about death — Interview for The Observer, Sunday supplement of The Guardian (06/10/2024)

Do animals know that they will die? — Mention in the American magazine The Atlantic (09/09/2024)

Mortal coils — Review of Playing Possum by Sy Montgomery for The American Scholar (03/09/2024)

How animals grieve — Interview for the 1A show on the American National Public Radio (26/06/2024)

Susana Monsó, filósofa: “Estudiar cómo viven los animales la muerte nos ayuda a naturalizar el duelo” — Interview for the Spanish newspaper El País (05/07/2023)

Do animals grieve? — Interview for the American podcast Unexplainable (Vox) (28/06/2023)

La muerte en el mundo animal — Interview for the Spanish national TV station La 2 (23/06/2023)

Susana Monsó: «Los perros y los gatos nos tienen totalmente domesticados» — Interview for the Spanish magazine XL Semanal (25/09/2022)

Animal minds and animal morality — Interview (with Kristin Andrews) for the American podcast Many Minds (28/04/2022)

Do animals understand what it means to die? — Interview for VICE magazine (02/02/2022)

‘Manche Tiere ahmen verwesende Leichen nach’ — Interview for the German newspaper Der Spiegel (30/10/2021)

¿Tienen moral los animales? — Interview for the Spanish press agency EFE (picked up by the Spanish newspapers El Mundo and Público, among others) (02/07/2019)

## **Organisation of academic events:**

Inaugural Meeting of the Philosophy of Animal Minds and Behavior Association, Madrid, 2023

Conference ‘Animal Minds & Animal Ethics: Across Species, Across Disciplines,’ Vienna, 2019

EurSafe Congress ‘Professionals in Food Chains: Ethics, Roles and Responsibilities,’ Vienna, 2018 (Local organising committee)

V Research Workshop on Philosophy of Biology and the Cognitive Sciences, UNED, Madrid, 2015 (Local organising committee)

European Network for the Philosophy of the Social Sciences Meeting (ENPOSS), Madrid, 2014 (Local organising committee)

‘De-Intellectualising the Mind’ workshop, UNED, Madrid, 2014

## **Refereeing:**
